Beat the summer heat with this unique polar bear tour

Churchill Polar Bear Adventure Day Tours

Saturday November 1 and Saturday November 8 2014

Each year in the fall along the west shore of Canada's Hudson Bay, one of the world's most fascinating wildlife events occurs. Scores of polar bears gather along the shore near Churchill Manitoba waiting for the bay to freeze so they can begin their annual hunt for their choice prey - seals. If you have seen a documentary that features these lords of the Arctic, chances are it was filmed in Churchill. Polar Bears are normally solitary creatures but in Churchill at this time of year, one can see them gathering and mothers and cubs will often be seen together. Wildlife enthusiasts and photographers throughout the world travel to Churchill in order to witness this remarkable event.

The dates we have chosen for our adventures are the best dates to view the bears. If you are short on time and budget but big on adventure, these tours are a perfect choice for you.

For \$1,399.00 CAD per person + GST, this all inclusive packaged and escorted tour from Winnipeg includes: return private Calm Air charter flight from Winnipeg to Churchill, breakfast on board the flight, full day Tundra Buggy excursion, lunch on board the Tundra Buggy, all Churchill transfers, dinner in Churchill, a Heartland Travel escort throughout, and time for souvenir shopping. We recommend booking early to avoid a sellout.

Corporate Team Building Challenges and Events Fun for every employee

Tired of the standard workplace BBQ at a park or the marketing director's backyard? Are people grumbling about another pool party at the boss' house? Look no further than our corporate team building challenges and events. Over the past few years we have developed a few unique challenges and activities suitable for groups looking for a competition or a fun day from the office.

One of our newest and rather successful activities is The Great Peg City Seek and Search. This team building activity takes teams on a highly interactive and enjoyable scavenger hunt throughout the city. We have used the Assiniboine Park as well as The Forks and is can also be modified to fit other areas.

Scavenger Hunt not your style - How about an Amazing Race event? Teams race against other teams and the clock by answering questions and performing tasks al while trying to win office bragging rights.

Are sports more your thing? Look no further than our sports challenges. From bowling to golfing to curling, everyone can compete in a team environment to see who comes out on top! No special skills or physical abilities are required for any of our challenges so there is no need to worry about physical fitness levels. Don't let the employees have all of the fun - we can even involve the families too!
