- Magical Musical History Bus Tours – Select nights July-September
- Churchill Polar Bear Adventure Day Tours – October/November 2017
- Corporate and Team Building Challenges – Spring is the perfect time to get out and about

Mystery and Symbols surround you at the Manitoba Legislative Building

Hermetic Code Tours with Dr. Frank Albo

Part of the Signature Experience Collection with Destination Canada

2017 Tours start April 12 and run until October 25 on Wednesday nights

Do you ever wonder why the Manitoba Legislative Building has sphinxes on it? Have you wanted to learn about the symbols and hidden meanings behind the mystical architecture of the building? Join Dr. Frank Albo, researcher and academic inspiration behind the *Hermetic Code* for an evening of decoding the famous symbols and architecture that make the building truly unique. Meet inside the building and begin to unlock the mysteries of Canada's most unique architectural landmark. Dr. Albo will take you along step-by-step to reveal a trail of occult clues concealed in the building's architecture

including: hidden hieroglyphic inscriptions, numerological codes, and Freemasonic symbols so intelligently masked they have escaped historians and visitors for nearly a hundred years!

Ask us about private tours for your group of 10 or more people. Gift certificates are also available by calling Heartland Travel at 204-989-9630.

Look for copies of the *Hermetic Code* at your favourite bookstore. Also available at Heartland Travel.

Heartland's Tip: Tours in April and May have fewer people on them than July-August. The earlier dates you book, the less crowded the tours will be!

New Mysteries to uncover with Dr. Frank Albo

Astana: Architecture, Myth, and Destiny

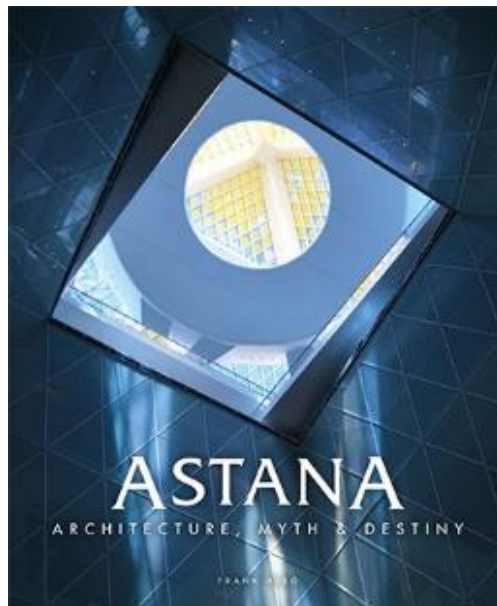

What does King Arthur, Borat, and the Illuminati all have in common? Find out in the new book by Dr. Frank Albo, Cambridge historian and world-renowned expert on the architecture of secret societies.

In his new book, *Astana: Architecture, Myth, and Destiny*, Dr. Albo provides an entirely unique perspective on the three most significant issues of our time. Remarkably, he finds the solution to these global threats encoded in the futuristic architecture of Astana! Dr. Albo teamed up with David Blaine's puzzle-master to cleverly conceal a hidden message within the book, and the first person to decipher its exact wording will win an all-expense paid luxury vacation to what CNN dubs the "world's weirdest capital city".

For more information on the book visit www.astanamyth.com

Rock on this summer on a Magical Musical History Tour

Magical Musical History Tours 2017 Tours run on select dates from July - September

Roll up for the 6th annual Magical Musical History Tour. Join local music historian John Einarson as he guides you through the streets of Winnipeg on a very unique one-of-a-kind tour of the city's illustrious rock 'n' roll history. See the house where Neil Young lived and began his song writing career, where he made his first recordings and played his first live performances, see the house where Burton Cummings and Randy Bachman of the Guess Who wrote *These Eyes, No Time*, and others as well as where Burton Cummings composed *Share the Land, Rain Dance*, and more; see the school where Neil Young sat on the steps and "dreamed of being a star"; where Bachman Turner Overdrive (BTO) was first conceived; the house Terry 'Seasons in the Sun' Jacks grew up; the spot where Neil Young met Joni Mitchell; plus much more.

The tour also features video footage of vintage photos and music as well as John's colourful stories and points of interest. In the 1960's, Winnipeg was the rock 'n' roll capital of Canada. See and hear why on this exciting tour.

Ask us about private tours for your group of 10-20 people.

Visit our website to book online and for more information.

Heartland's Tip: Since the tours are running on limited dates this summer, we suggest booking early to avoid a sellout!

See the Polar Bears in Churchill, MB

Churchill Polar Bear Adventure Day Tours Saturday October 28 and Saturday November 4 2017

Each year in the fall, along the west shore of Canada's Hudson Bay, one of the world's most fascinating wildlife events occurs. Scores of polar bears gather along the shore near Churchill Manitoba waiting for the bay to freeze so they can begin their annual hunt for their choice prey - seals. If you have seen a documentary that features these lords of the Arctic, chances are, it was filmed in Churchill. Polar Bears are normally solitary creatures but in Churchill at this time of year, one can see them gathering and mothers and cubs will often be seen together.

Wildlife enthusiasts and photographers throughout the world travel to Churchill in order to witness this remarkable event. The dates we have chosen for our adventures are the best dates to view the bears. If you are short on time and budget but big on adventure, these tours are a perfect choice for you.

For \$1,499.00 CAD per person + GST, this all-inclusive packaged and escorted tour from Winnipeg includes: return private Calm Air charter flight from Winnipeg to Churchill, breakfast on board the flight, full day Tundra Buggy excursion, lunch on board the Tundra Buggy, all Churchill transfers, dinner in Churchill, a Heartland Travel escort throughout, and time for souvenir shopping. We recommend booking early to avoid a sellout.

Visit our website for tour photos, testimonials, booking forms, and for more information. For any questions regarding the polar bear tours, please call us at 204-989-9630.

Heartland's Tip: Spaces sell fast for these exclusive tours – don't delay in booking this unique wildlife adventure!

Corporate Team Building Challenges in Winnipeg

Corporate Team Building Challenges and Events Fun for every employee

Tired of the standard workplace BBQ at a park or the marketing director's backyard? Are people grumbling about another pool party at the boss' house? Look no further than our corporate team building challenges and events.

Over the past few years we have developed a few unique challenges and activities suitable for groups looking for a competition or a fun day from the office.

One of our newest and rather successful activities is The Great Peg City Seek and Search. This team building activity takes teams on a highly interactive and enjoyable scavenger hunt throughout the city. We have used the Assiniboine Park as well as The Forks but can also be modified to fit other areas of the city.

Scavenger Hunt not your style - How about an Amazing Race event? Teams race against other teams and the clock by answering questions and performing tasks al while trying to win office bragging rights.

Are sports more your thing? Look no further than our sports challenges. From bowling to golfing to curling, everyone can compete in a team environment to see who comes out on top! No special skills or physical abilities are required for any of our challenges so there is no need to worry about physical fitness levels. Don't let the employees have all of the fun - we can even involve their families too!

For more information about our corporate team building challenges and events call us at 204-989-9630.

Heartland's Tip: Have an idea not listed above? Tell us about it and we will strive to make your dream a success for your group!
