

Agricultural Day Tour

(8 hours)

Take a guided agriculture tour of a progressive farm and high tech computerized flour mill plus a fascinating visit to a modern communal Hutterite Colony.

For farm operators or those interested in agriculture or rural Manitoba living this is an ideal tour for you. It provides the opportunity to visit a very progressive farm and flour mill operation plus experience the unique communal lifestyle of a fascinating Hutterite Colony.

At 08:30am you depart the hotel for the nearby town of Elie and the Abtshof Farm. On route our agricultural tour guide will provide you with a commentary of the state of agriculture in Manitoba. Abtshof, operated by Andreas Boersch, is a 3200 acre grain farm which produces wheat, canola, rye, oats and some corn. You will be taken on a tour of the farm with its facilities and equipment. Besides the farm Andreas will show you the state of the art multimillion dollar Prairie Flour Mill. Andreas, along with his investors designed and built this highly technical computerized mill. Following the visit to the mill you will travel west to the village of Newton Siding where you will visit the Sunnyside Hutterite Colony. Following a traditional meal in their main dining hall you will be taken on a tour of this very impressive communal Colony. The Colony has 61 residents and farms 6400 acres: mainly canola, barley and wheat plus flax, beans and peas. Also they raise pigs, cattle and chickens for consumption and sale. After the tour you return to the hotel arriving at approximately 4:30pm.
